

SUMMIT AT A GLANCE

A multidisciplinary gathering exploring how tissue responds to regenerative therapies—through science, clinical dialogue, and hands-on training

WHY ARTS?

Today's healthcare system is designed for acute care. Degenerative conditions unfold over time.

ARTS 2026 is organized around that difference

- How tissue responds after intervention
- Where outcomes vary—and why
- How regenerative, stimulatory, and structural approaches shape that response

TISSUE RESPONDS. *To injury. To intervention. To time.*

Patients are asking us to understand that response—not just apply treatments. Each specialty sees part of the picture. ARTS brings those perspectives together.

Join Us.

ARTS

Regenerative Therapies Summit 2026

LA JOLLA - TORREY PINES - CA

July 30 – August 2

DAY 1 | THURSDAY JULY 30

MORNING

- Breakfast & Registration
- **Panel w/ Q&A: Defining Scientific Standards for Regenerative Therapies**
Moderator: Daniel Gould, MD, PhD
Presenters: Robert Alexander, MD; John Cole, MD; Ramon Llull, MD, PhD
- **Open Forum: The Regenerative Mindset — Remembering Why We Chose Medicine**
Moderator: Allan Mishra, MD
Presenters: John Cole, MD; Moises Irizarry-Roman, MD; Matthew Stokes, DNP; Anne Truong, MD
- **Panel w/ Q&A: Regenerative Therapies for Erectile Dysfunction**
Moderator: Ramon Llull, MD, PhD
Presenters: Adellcho Nobel Hansen, MD; Anne Truong, MD

AFTERNOON

- **Open Forum: Beyond the Procedure — Adjunctive Strategies that Optimize Outcomes**
Moderator: Allan Mishra, MD
Presenters: Donna Alderman, DO; Robert Alexander, MD; Ethan Kellum, MD; Moises Irizarry-Roman, MD; Marc Mani, MD; Tess Mauricio, MD
- **Panel w/ Q&A: Regenerative Therapies in Body Aesthetics**
Moderator: Daniel Gould, MD, PhD
Presenters: Ashkan Ghavami, MD; Marc Mani, MD; Greg Pataki, MD
- **Featured Presentation w/ Q&A: The “One Medicine” Approach - Veterinary Lessons for Human Medicine**
Moderator: Ziv Peled, MD
Presenters: Robert Harman, DVM, MPVM
- **Cocktails, Complications, & Conversations**

EVENING

- Welcome Reception in Exhibit Hall

DAY 2 | FRIDAY JULY 31

MORNING

- Breakfast
- **Panel w/ Q&A: Hot Topics in Regenerative Therapies**
Moderator: Randy Miller, MD
- **Featured Presentation w/ Q&A: Pre-Surgical Nanofat Infiltration for Improved Healing**
Moderator: Ramon Llull, MD, PhD
Presenter: Alexis Verpaele, MD, PhD
- **Clinical Spotlight: Facial Contouring with Sculptra® – Tissue Response Implications for Facelift Surgery**
Presenter: Kay Durairaj, MD
- **Featured Presentation w/ Q&A: Financial Healthspan – Building Practice Value Before It's Time to Retire**
Presenter: Marla Reynolds
- **Open Forum: Regenerative? - What We Know about Exosomes, Peptides, and the Science of Tissue Response**
Moderator: Ashkan Ghavami, MD
Presenters: Richard Chaffoo, MD; Daniel Gould, MD, PhD; Tess Mauricio, MD; Shoib Myint, DO; Alexis Verpaele, MD, PhD

AFTERNOON

- **Featured Presentation w/ Q&A: Update – 2026 Stem Cell Policy in the United States**
Presenter: Randy Miller, MD
- **Panel w/ Q&A: Beyond the Scalpel: Biologic Solutions for OA and Aging Joints**
Moderator: Rowan Paul, MD
Presenters: Ethan Kellum, MD; Moises Irizarry-Roman, MD; Allan Mishra, MD
- **Clinical Spotlight: From Processing to Outcomes: Optimizing PRP and BMAC in Clinical Practice**
Presenter: Jaime Sepulveda, MD
- **Panel w/ Q&A: The GLP-1 Patient and Tissue Response Differences**
Moderator: Ziv Peled, MD
Presenters: Ramon Llull, MD, PhD; Tess Mauricio, MD; Randy Miller, MD
- **Panel w/ Q&A: Liquid Gold - Mastering Microfat and Nanofat for Periorbital Rejuvenation**
Moderator: Marc Mani, MD
Presenters: Ashkan Ghavami, MD; Daniel Gould, MD, PhD; Timothy Marten, MD; Shoib Myint, DO; Alexis Verpaele, MD, PhD

DAY 3 | SATURDAY AUGUST 1

MORNING

- Breakfast
- **Panel w/ Q&A: Getting Back in the Game – The Science of Stem Cell Therapies for Recovery in Athletes**
Moderator: Randy Miller, MD
Presenters: Ethan Kellum, MD; Moises Irizarry-Roman, MD; Rowan Paul, MD
- **Panel: Regenerative Adipose Applications for Peripheral Nerve Pain**
Moderator: Ethan Kellum, MD
Presenters: Donna Alderman, DO; Ziv Peled, MD
- **Panel w/ Q&A: Patient Comfort Techniques for Office-Based Procedures**
Moderator: Ethan Kellum, MD
Presenters: Moises Irizarry-Roman, MD; Matthew Stokes, DNP
- **Live Model Demonstration - Ultrasound - New Standard of Care for Injection Precision**
Moderator: Rowan Paul, MD
Presenters: Ethan Kellum, MD; Allan Mishra, MD; Ziv Peled, MD; Matthew Stokes, DNP
- **Panel w/ Q&A: Stem Cells, Growth Factors and Nanofat Applications for Hair Restoration**
Moderator: Greg Pataki, MD
Presenters: Richard Chaffoo, MD; John Cole, MD; Daniel Gould, MD, PhD; Ryan Welter, MD

AFTERNOON

- **Panel w/ Q&A: The Regenerative Facelift: Merging Structural Repositioning with Adipose Science**
Moderator: Alexis Verpaele, MD, PhD
Presenters: Ashkan Ghavami, MD; Marc Mani, MD; Timothy Marten, MD; Greg Pataki, MD
- **Featured Presentation w/ Q&A: Creating Multiple Practice Revenue Streams**
Presenter: Anne Truong, MD
- **Open Forum: The Future of Treating Degenerative Tissue to Increase Healthspan**
Moderator: John Cole, MD
Presenters: Robert Alexander, MD; Daniel Gould, MD, PhD; Robert Harman, DVM, MPVM; Ethan Kellum, MD; Ziv Peled, MD; Alexis Verpaele, MD, PhD

EVENING

- Alumni Reception (Invitation Only)
- Saturday Night Social (Included with Pass Purchase)

SUMMIT AT A GLANCE

DAY 4 | SUNDAY
AUGUST 2

Insight + Immersion Pass

8:00AM - 2:30PM

- Breakfast
- Lectures

HANDS-ON CADAVER LAB STATIONS

- **The Regenerative Facelift - Deep Plane Facelift vs Endoscopic Facelift**
(Maximum 24 attendees, limited seats remaining)
Faculty: Ashkan Ghavami, MD; Daniel Gould, MD, PhD; Marc Mani, MD
- **Facial Contouring with Sculptra®**
Faculty: Kay Durairaj, MD
- **Oculoplasty, Brow Lift, Peri Ocular Rejuvenation**
Faculty: Daniel Gould, MD, PhD
- **Office-Based Adipose Harvest & Processing**
Faculty: Randy Miller, MD; Ethan Kellum, MD
- **PRP & MSK Ultrasound Guided Injections**
Faculty: Rowan Paul, MD
- **Bone Marrow Aspirate Concentrate**
Faculty: Moises Irrizarry Roman, MD
- **Peripheral Nerve Pain**
Faculty: Ziv Peled, MD
- **Nerve Blocks for Patient Comfort**
Faculty: Matthew Stokes, DNP
- Grab & Go Lunch

Face to Face Pass - SOLD OUT JOIN WAIT LIST

- Breakfast
- Lecture
- Facelift Master Class
Training With: Timothy Marten, MD & Alexis Verpaele, MD, PhD
- Grab & Go Lunch

JOIN THE WAIT LIST
